The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are:

- Supervision may be provided by the Exhibitor.
- The exhibitor may appoint an exhibit installation contractor or display builder.

Exhibitor Appointed Contractors

Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the Exhibitor and the installation and dismantling contractor comply with the following requirements:

1. Complete the attached Notification of Intent to use **NONOFFICIAL** Service Contractor.
2. The Exhibitor must notify Show Management in writing and General Exposition Services of the intention to utilize an independent contractor no later than 30 days prior to the first move-in day, furnishing the name, address and telephone number of the firm.
3. The Exhibitor shall provide evidence that the Exhibitor Appointed Contractor has a proper certificate of insurance with a minimum of \$1,000,000 liability coverage, including property damage, to show management and General Exposition Services at least 10 days before the show opening.
4. The exhibitor agrees that he is ultimately responsible for all services in connection with his exhibit, including freight, drayage, rentals, and labor.
5. The Exhibitor Appointed Contractor must have all business licenses, permits and Workers' Compensation insurance required by the State and City governments and the convention facility management prior to commencing work, and shall provide Show Management with evidence of compliance.
6. The Exhibitor Appointed Contractor will share with General Exposition Services all reasonable costs related to its operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, etcetera.
7. The Exhibitor Appointed Contractor must furnish Show Management and General Exposition Service with the names of all on-site employees who will be working on the exposition floor and see that they have and wear at all times necessary identification badges as determined by Show Management.
8. The Exhibitor Appointed Contractor shall be prepared to show evidence that it has a valid authorization from the Exhibitor for services. The Exhibitor Appointed Contractor may not solicit business on the exhibit floor.
9. The Exhibitor Appointed Contractor must confine its operations to the exhibit area of its clients. No service desks, storage areas or other work facilities will be located anywhere in the building. The show aisles and public space are not a part of the Exhibitor's booth space.
10. The Exhibitor Appointed Contractor shall provide, if requested, evidence to General Exposition Services that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The Exhibitor Appointed Contractor must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
11. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the Official Service Contractor, General Exposition Services. The Exhibitor Appointed Contractor must coordinate all of its activities with General Exposition Services.
12. For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the Official Service Contractors will be approved. This regulation is necessary because of licensing, insurance, and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.
